Shipping Information

Nelson Nursery does its best to ensure that your order arrives on time. We follow carrier schedules to determine when your order should leave our building. Our company is linked by computer so that we will be able to track your purchase if necessary. Although Nelson Nursery takes every precaution to guarantee prompt shipment, we cannot be held responsible for delays that may occur while in transit.

Our company is also highly concerned about the quality of the product upon arrival. All orders being shipped out of MN are carefully handled and shipped in boxes. Bows are given special attention and shipped unattached to keep them from being crushed (with the exception of our centerpiece which comes fully decorated).
